

**Six-Month Strategic Objectives
January 30, 2010 - August 1, 2010**

Three-Year Goal: Develop and Implement Regional Solutions for Transportation, Housing, Economic Growth and the Environment

| When | Who | What | Status | | | Comments |
|----------------|---|--|--------|-----------|---------|---|
| | | | Done | On Target | Revised | |
| March 18, 2010 | Mary Ann Lutz | Review the SGVCOG Strategic Plan Objectives to determine which Committee/Working Group is responsible for which objectives and report to COG Board. | ✓ | | | This matrix is attached to the Strategic Plan. |
| May 15, 2010 | Bob Kuhn | Monitor use and availability of water in the SGV through 2010 and submit an update to Governing Board. | | | ✓ | It is anticipated that this report will be submitted for an upcoming Governing Board meeting. |
| May 1, 2010 | Transportation Committee | Recommend to the COG Board for action moving the I-710 Tunnel into environmental review. | ✓ | | | The COG unanimously reaffirmed its support for this project in April and submitted a letter to Metro. |
| June 1, 2010 | Gino Sund (lead), Housing Committee and Planning Directors' TAC | Develop and present to the Board a process for how the SGVCOG will engage its members in responding to SB 375. | | ✓ | | |
| July 1, 2010 | Housing Committee | Create an umbrella organization for implementation of the Homeless Strategic Plan and report the results to COG Board. | ✓ | | | The Housing and Homeless Services Coordinating Council will hold its first official meeting in June. |
| August 1, 2010 | Stephen Atchley | Present to the EENR Committee and its working groups information on greenhouse gas reduction and waste stream reduction technologies. | ✓ | | | These presentations were give at the February and April EENR Committee meetings. |
| August 1, 2010 | EENR Water Working Group Subcommittee | Study the feasibility, including cost of recharging basin ground water with advanced treatment water and report the results to the EENR Water Working Group. | ✓ | | | A presentation on this issue occurred at the February Water Working Group. |
